

UNITED STATES DRESSAGE FEDERATION™

USDF Benefit Class Registration Form

USDF Benefit Classes benefit all USDF members. Funds received from Benefit Classes support dressage education in the US through USDF educational programs.

To host a Benefit Class, return this form to USDF with your pledge and designate a class of your choosing as the USDF Benefit Class in the competitions prize list.

For a pledge of \$100 per class, USDF will provide the competition management with an engraved silver tray and set of ribbons to be awarded at the competition. In addition to providing awards, USDF will recognize competitions offering Benefit Classes on the USDF website and in the yearbook issue of *USDF Connection*.
